

SECURITY ADVICE

Since our community was founded, there have been a few incidents of crime here, such as vandalized cars in driveways, vandalism at the Clubhouse, and attempted entry into a unit.

After consultation with Mason police, we recommend:

- Whenever possible, keep your vehicles in your garage.
- Do not leave valuables in your vehicle.
- Turn on exterior lights to create better visibility.
- Keep a light on inside your unit.
- Look carefully before opening your door.
- Consider locking the door between your unit and your garage.
- Never hesitate to call the police.
- After calling the police, please notify a Board member as soon as possible.
- Whenever possible, notify your immediate neighbors also.
